

Meeting the New Standards, Improving Schools

Learn about the exciting changes resulting from our unification with SACS CASI and NSSE, and the purpose, scope of services, and benefits to schools and systems. **Participants will have the opportunity to learn about the new accreditation process** (effective 2007-08) and will explore the three pillars of accreditation: high standards, continuous improvement, and quality assurance, as well as available resources, during this hands-on, interactive workshop. This workshop is **free**, and CRU's will be available.

To register for any of these workshops, simply fill out this form and fax it to 812-237-4449 at least five days prior to the workshop. The state office will confirm your registration. You may duplicate this form as many times as you wish. (Consult your NCA Professional Development Calendar for a complete list of Indiana workshops or go to the Workshop link at www1.indstate.edu/coe/nca or www.advanc-ed.org under the Professional Development tab.)

We anticipate that these workshops will fill quickly, and we might not be able to accommodate walk-ins, so register early to avoid disappointment.

Fax this registration today to 812-237-4449
