

AdvancED® Guide for Selecting Strategy Categories

This guide provides step-by-step instructions for selecting strategy categories. The addition of strategy categories allows you to filter strategies when you run the Goal Strategy Report.

The screenshot shows the 'Goal Builder' interface in the 'Goals & Plans' tab. The 'Step 3: Strategy' step is active. The form includes fields for 'Strategy Name' (containing 'strategy 1'), 'Category' (a dropdown menu with 'Other' selected), 'Please Specify Other Category' (a text input field), 'Strategy Tier' (a dropdown menu with 'Tier 1' selected), and a large text area for 'How will the strategy work? and/or How will the strategy be implemented?'. A '6000 characters left' indicator is visible. Below the text area is a field for 'State the research used to support this strategy'. A blue callout box points to the 'Category' dropdown menu, and an orange callout box provides a note about the required field.

On the Goals & Plans tab, Select Step 3: Strategy. To create a new strategy, enter the Strategy name in the dialogue box.

Next, select a Category from the dropdown menu.

NOTE: The Category field is required. Only one option must be selected in order to save the Strategy. You cannot select multiple Categories for the same Strategy.

Your options in the Category dropdown menu include:

- Career and College Ready
- Career and Technical Education (CTE)
- Early Learning
- Elective Courses
- English Language Arts (Reading and/or Writing)
- Learning Support Systems
- Mathematics
- School Culture
- Science
- Social Studies
- Technology
- Other

NOTE: If **Other** is selected, a dialogue box will appear that allows you to enter your own description. When **Other** is selected, your category will appear like this: "Other - Research".

Selecting Categories when Editing a Strategy

Some Strategies initially may have been created without a Category. If you edit these Strategies, you must select a Category before you can save your changes. Since the process is the same, please follow the instructions for selecting a Category for a new Strategy.
